Richard Linehan is the ADA, not Jessica Healy as I may have said yesterday. I got this email this am:

Caroline,

I will try to call Hoeplinger today. I don't think she has the lab notes on this yet, so I'm not sure if she is going to want to go forward. I will check back with you.

Thanks,
Rick

We will get to the bottom of this! ☺

Share with whoever else I got summonsed. I don't have the summonses b/c these are the ones that went to your homes.

Caroline

I just called Brockton court about next Monday's subpoena, she said I had to go, she said hopefully She'll try to get us out early enough. Sometimes I just can't believe them. It seems like all these Request are for Mondays, oh well! Is there anybody else going to this one?
